Class Song

In every mind today there is
The thought of times gone by,
And every thought is near the same
Of days in Needham High.
But high school years pass quickly
That thought fills every mind,
But we are glad to look ahead
As well as look behind.

The future beckons us.
As we bid thee all good-bye,
Our thoughts stray back again
To the years in Needham High.
We stand upon the hill today;
Our voices now we raise,
Offering thanks we sing to thee
Our parting hymn of praise.

Words and Music by THERESA MARIE LUNDY

and JOAN VANCE SWETT
